Wooden frame, plate glass base, stained glass, glue, and use of tools are all provided.

Juanita Canzoneri has been teaching the art of mosaics since 2002. She has curated mosaic art shows and is the newsletter editor for the Glass Artists of the Pikes Peak Region (GAPPR). She lives with her husband in Colorado Springs, CO.

## Natural Dyeing Workshop

**Saturday, August 14 from 11 am to 5:30pm**

Travel to River Farm Studios in Timberville, VA to discover and create with Nature's color sources as Priscilla Blosser-Rainey offers her extensive expertise and knowledge of plant and natural dyes.

In this hands-on workshop, students will use August flora to test and dye wools, hand-spun fibers, and create recipes produced with alum and tartaric acid. Create a color palette using goldenrod, zinnias, marigolds, onion skins or black walnuts to produce lightfast and washfast oranges, yellows and browns with a range of values and intensities.

Students will learn to prepare the dyes, mordant, dye protein fiber and experiment with color using postmordant baths, afterbaths and exhaust baths and the value of keeping explicit notes.

Instructor: Priscilla Blosser-Rainey

Cost: \$60 per student

Minimum 8 Students

Maximum 12 Students

Supplies: provided Bring a bag lunch

Location: River Farm, Timberville, VA

## A Weekend of Nature & Landscape Photography with Frank Ceravalo

**Friday, August 20 from 7:00pm to 8:00pm**

**Saturday, August 21 from 10:00am to 4:00pm**

**Sunday, August 22 from 10:00am to 2:00pm**

Join renowned West Virginia photographer Frank Ceravalo in this weekend-long, hands-on journey into the world of nature and landscape photography. In this workshop, students will gain technical knowledge of digital photography, kinds of cameras, mega pixels, white balancing, RAW file formats, functions of differing lens, organizing and storing files, and adjusting images in programs such as Adobe Photoshop & Lightroom.

Thorough discussions will be held on photographic composition, design and light, comparisons of 35mm and digital work, times of day to shoot, and composing the photograph through the camera lens and on the computer. Fieldwork will also be involved in the class.

Instructor: Frank Ceravalo

Minimum 6 Students

Maximum 12 Students

Cost: \$110 per student

Supplies: Students must have their own digital camera and comfortable clothes and shoes for fieldwork.

Originally a chemical engineer, Frank's work echoes his understanding of detail, design, and composition, which contributes to the depth and breadth of his photographs. Frank's photographs have appeared in Wonderful West Virginia, Blue Ridge Country, West Virginia Outdoors and National Geographic Adventure magazines. He has had solo exhibitions at Washington County Museum of Fine Arts in Maryland, had his work accepted into the 2007 Bi-Annual West Virginia Juried Artists Exhibition and his work is featured in galleries in West Virginia, Maryland, and Virginia.
